With Others at the 2020 Spring Conference.

We are looking for people to lead a workshop at the upcoming spring conference “I Can See Clearly Now” on Saturday, April 4, 2020. Workshops can be interactive, lecture or skits. They are about 40 minutes in length. Let’s remember the famous words of Sir Winston Churchill.

“We make a living by what we get, but we make a life by what we give”

So, give back and present a workshop. You are only limited to your own strength, hope and experience.

If you like to present a workshop, or need more information and ideas on what to present contact us at workshops2020@gachicago.org.
