

G.A. Hotline Volunteers Needed

GA Hotline: 855-2 CALL GA (855-222-5542)

Many new members come to G.A. via the answering service and we must regard this important function as a lifeline. Our Hotline system offers several features to hotline callers. After following the prompts the caller will have the ability to:

1. Speak with a volunteer.
2. Obtain times and locations of group meetings
3. Leave a message and receive a callback.

When a call is received on the Hotline and the caller selects the option to speak to a volunteer, the system will automatically dial your number during the times prearranged as your volunteer times. If you are available to accept the call, you will press 1. If you are unable to answer the call, press 2 and it will go to the next volunteer on the list.

As decided by Intergroup, **a minimum of 6 months clean time is required to be a volunteer and you must be attending GA meetings on a regular basis.**

Once a Hotline Representative has processed your information, you will be contacted to verify your information and to advise you that you are now a GA Hotline Volunteer.

As a member of G.A., you will find your help needed in all levels of our Fellowship. There are millions of compulsive gamblers that need our help. The richness of growth through involvement and participation will benefit you, your family and other compulsive gamblers.
